## Summary

Software Engineer with 5+ years of experience building multi-tenant SaaS products for enterprise customers. Built features across authentication, authorization, content management, developer experience and AI-assisted workflows. Interested in product engineering, platform development and open-source software.

## Experience

- **American Technology Consulting (ATC)** Remote
  *Senior Software Engineer* *April 2026 – Present*
  - Led migration of a large React application from React 16, CRA and CRACO to React 18 and Rsbuild, reducing CI build times by 60% and simplifying the development workflow.
  - Worked across the LMS platform to stabilize existing features, address technical debt and support ongoing product development after the engineering transition.
- **Auzmor Technology Pvt. Ltd.** Remote
  *Senior Software Engineer* *January 2025 – March 2026*
  - Built a multi-tenant RBAC platform used across 50+ enterprise organizations, allowing administrators to create custom roles and manage access across product modules.
  - Implemented SSO/SAML integrations, API key management and user provisioning workflows to simplify enterprise onboarding and identity management.
  - Built an AI-powered content generation workflow that created structured learning material from prompts and uploaded documents, reducing manual content creation effort.
- **Auzmor Technology Pvt. Ltd.** Remote
  *Software Engineer III* *January 2023 – December 2024*
  - Built Mentorship, Interactive Training and Checklist experiences used by enterprise learners, helping increase platform engagement by 50%.
  - Led frontend performance improvements through lazy loading, code splitting and bundle optimization, improving Core Web Vitals scores from 20 to 85.
  - Improved accessibility across the platform by implementing WCAG 2.1 AA standards and partnering closely with design and product teams.
  - Led engineering design reviews, mentored developers, and established code review standards to improve code quality and maintainability.
- **Auzmor Technology Pvt. Ltd.** Remote
  *Software Engineer I* *December 2021 – December 2022*
  - Built a multi-tenant branding system that allowed organizations to customize themes and deliver white-labeled learning experiences.
  - Built social learning features including posts, polls and eSignatures using React, REST APIs and Web Sockets.
  - Implemented multi-factor authentication using SMS and email verification to strengthen platform security.

- **Accenture Solutions Pvt. Ltd.** Gurugram, Haryana, India
  *Associate Software Engineer* *January 2021 – December 2021*
  - Developed and maintained enterprise web applications using React, JavaScript, Java, HTML, SQL, and REST APIs while collaborating with cross-functional teams.

## Skills

- **Languages:** JavaScript (ES6+), TypeScript, Java, HTML5, CSS3
- **Frontend:** React, Next.js, Redux Toolkit, React Query, Tailwind CSS, Responsive UI Development
- **Backend:** Node.js, REST APIs
- **Auth & Security:** OAuth, SSO/SAML, RBAC, MFA
- **Performance & Accessibility:** Core Web Vitals, Code Splitting, Lazy Loading, WCAG 2.1 AA
- **Cloud & Data:** AWS, MySQL, CI/CD
- **Architecture:** Multi-tenant Systems, Design Systems, Microfrontends, Monorepos
- **Collaboration:** Code Reviews, Technical Mentorship, Cross-functional Collaboration, Agile Development
- **AI & Developer Tooling:** AI-powered Content Generation, MCP

## Open Source

- **Resend (CLI + MCP Server)**
  - Contributed features and test coverage improvements to the official Resend MCP Server and CLI
  - Built a personal open-source CLI for terminal-based Resend API interactions.
- **Sentry Spotlight** — github
  - Contributed improvements to Sentry Spotlight, an open-source local debugging and observability tool.
- **Enterprise Design Systems**
  - Contributed merged improvements to Kobalte , Razorpay Blade , Microsoft Griffel and Adobe React Spectrum .

## Education

- **Jaipur Engineering College and Research Center** August 2016 – August 2020
  *B.Tech in Electronics and Communication Engineering* *CGPA: 7.2/10*
